

You'll have fun and make new friends

Learning new things each day with your friends and teachers is great fun. There's great craic at break and lunch and then there's lots to do after school too!

'I have made loads of friends and I get along with them all really well and they always make me laugh'.

Katie Mahoney

So,
Are you ready for the challenge of learning new subjects?
Have you got lots of ideas?
Have you got a talent / skill to share? A great singing voice?
A sense of rhythm? A sporting skill?
WE look forward to seeing what you will bring to OUR school!
We're waiting for you!

When you join us in St. Genevieve's,

You'll be cared for and supported:

You will be really well looked after in St. Genevieve's. Everyone will be looking out for you, but especially your Form Teacher and your Year Head. We want you to enjoy school, to feel safe and happy.

We have a large number of support systems in St. Genevieve's to help you when things are a little difficult. Buddies and mentors are like big sisters who are there for you when you need a chat or a bit of advice or even some help with your work. There's the Homework Club after school too!

'We have amazing teachers here to teach you and they will help you on your St. Genevieve's journey in your subjects. There are lots of after school clubs like Drama, the choir and Gaelic too'.

Ella Hamill (St. Teresa's)

'I feel like I like I matter and can make my own decisions but I know others are there for me too'.

Sophie Stewart (St. Oliver Plunkett)

'The teachers are kind and caring towards everyone. It is nice to know you have someone to talk to if you have any problems'.

Chloe Cahill (Holy Family Primary)

You'll be one in a thousand:
Being a member of the St. Genevieve's School Community is about togetherness. While we meet every student's individual needs, we're all there for each other too and are all part of Team Genevieve!

You'll be challenged:
We will challenge you in St. Genevieve's to be the best you can be every single day! We want you to realise your potential, to be an achiever wherever your skills lie, whether that's in the classroom, on the pitches, with a paintbrush, with your singing voice or on the stage.

'When I first came into St. Genevieve's, I was really nervous but very soon I began to feel comfortable. My confidence has grown and I have even become a student council representative which I would never have thought possible'.

Darcie O'Callaghan (Christ the Redeemer)
